

Exercise Week One Color Wheel

[5 points]

procedure: Create a color wheel that depicts the following terms in the correct sequence. Red should be at the top, followed by Red-Orange, Orange, Yellow-Orange, Yellow, Yellow-Green, Green, Blue-Green, Blue, Blue-Violet, Violet and Red-Violet.

All colors must be mixed from **Primary Colors** plus **black** and **white**.

Use a basic wheel design, as diagrammed below, with evenly spaced segments (use a ruler and compass).

Add a title, the vocabulary words and their definitions to the diagram.

materials: Acrylic or gouache paint on Bristol board. (8x10 or 11x14)

vocabulary:

primary

secondary

tertiary

hue

tint

tone

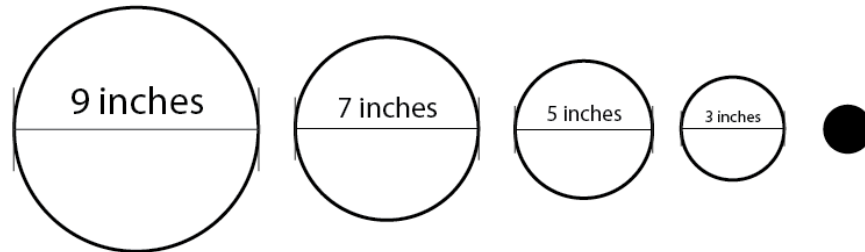

shade

due: week 2

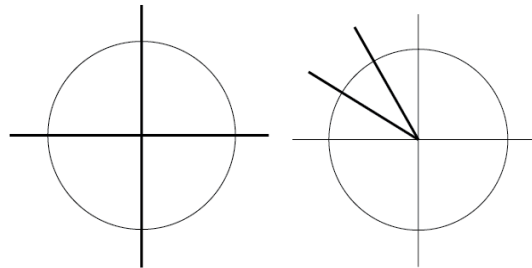

If you are using 11x14 inch Bristol board

1. The center of the circle should be 6 inches from the top of the page.

2. Measure 5 circles from that point:

3. Divide the circles in half, then in thirds:

4. Continue until you have 12 sections:
