

week 8 Color in Culture: Asian Art

Select 5 examples of color use within the Asian Art Museum.

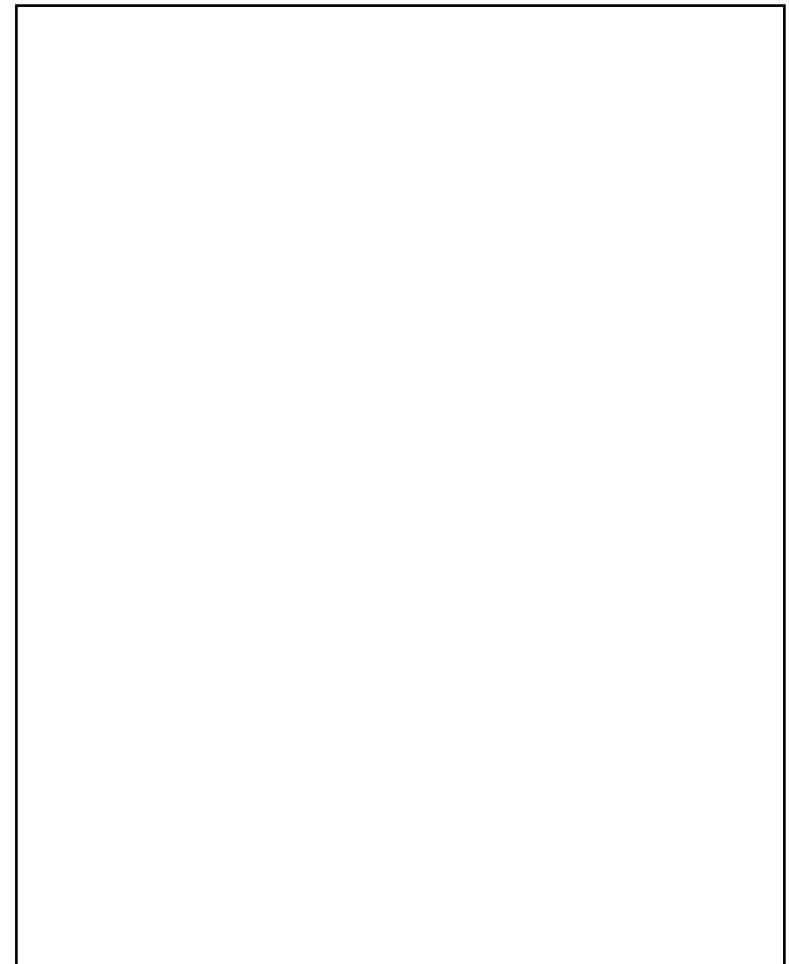

Sketch each example, showing the specific use of color patterns, palettes and schemes.

Briefly describe this use of color, the source/ history of the artwork and analyze why color is used in this way.

use of color: *what are the palettes, etc.*

source/ history: *where/ when is the artwork from.*

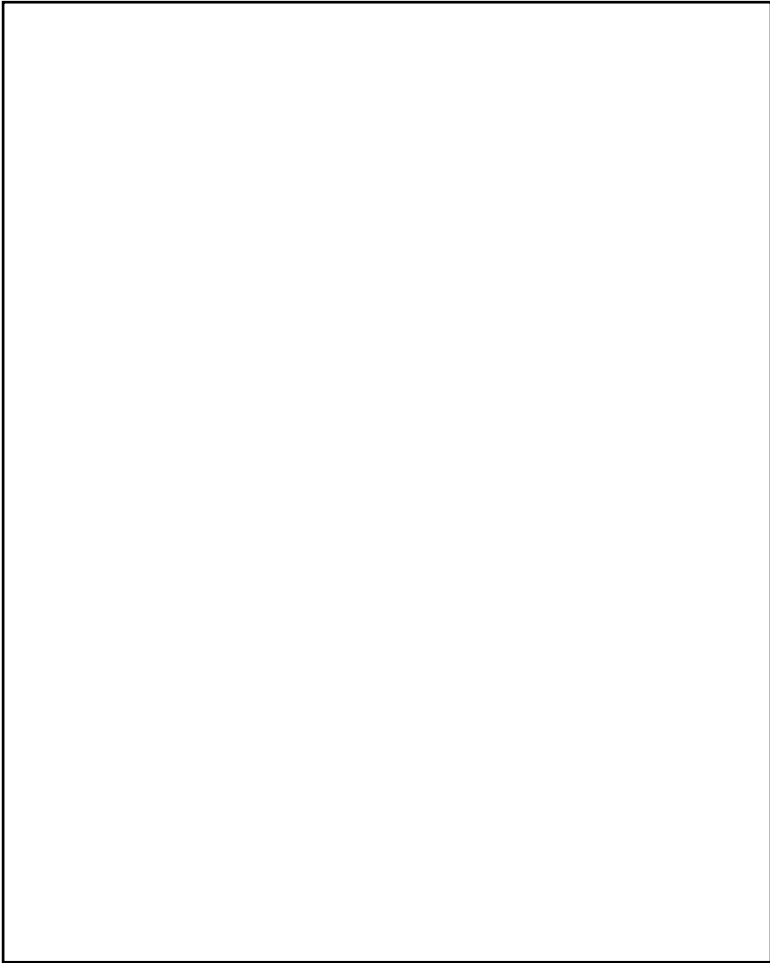

analysis: *why is color represented or used in this way.*
