

Advanced Image Manipulation: Image from Text

PROJECT 2

15 points | due week six

Design Problem:

Illustrate a passage from a written text.

Methodology:

Select a descriptive passage from a published text. The source can be a work of fiction or non-fiction. Think about the style of the writing and allow it to influence your design choices.

Use drawings, photos, scanned textures and Photoshop tools

DO NOT include the passage in the illustration

Illustration Specs:

size variable, approx. 8 x 10", 200 dpi (minimum)
full color
use at least 5 layers in your illustration
photos must be original or from Getty

Outcome by the end of class:

select source text or author.

Due Week Five:

select and bring in passage to be used and visual research

Final Outcome:

color printed and mounted project, process steps

Sample Descriptive Passage

It was 7 minutes after midnight. The dog was lying on the grass in the middle of the lawn in front of Mrs. Shear's house. It's eyes were closed. It looked as if it were running on it's side, the way dog's run when they think they are chasing a cat in a dream. But the dog was running running or asleep. The dog was dead. There was a garden fork sticking out of the dog. The points of the fork must have gone all the way through the dog and into the ground because the fork had not fallen over.
