In the Public Realm  
Established 1995

## [ Discussion Questions ]

1. How can a memory be represented in art?
2. How does the inclusion of the depiction of death or the dead influence the interpretation of a memorial?
3. Is a portrait more universal if it is not merely a picture of the person?
4. How is public art received/ interpreted differently than gallery art?
5. Are there any subjects inappropriate to memorialize?
